Making Your Entrance

Your entrance to the ceremony is one of the most meaningful moments of your day.

At The Wrightington, you can choose to have your wedding ceremony outside, at our licenced outdoor breeze house, set against the picturesque Lancashire countryside. Surrounded by open skies and natural beauty, it creates a calm and romantic setting for your wedding ceremony.

For indoor ceremonies, our elegantly appointed rooms offer a warm and intimate alternative. With stylish décor, soft lighting, and space for up to 100 guests, they provide a setting that feels both comfortable and refined.

Your Wedding Breakfast

The celebration continues as you gather with loved ones for your wedding breakfast - a time to relax, raise a glass, and enjoy your first moments as a married couple.

The contemporary Blazers Suite offers a striking setting for larger celebrations, hosting up to 100 guests in the daytime. With its elegant design, spacious layout, and access to a private landscaped garden overlooking the countryside, it provides a seamless setting for dining, speeches, and those moments in between.

For more intimate weddings, The Wrightington Suite welcomes up to 80 guests, offering a warm and inviting space for a more personal celebration. Guests can gather beforehand in Bennett's Restaurant and Lounge, creating a natural sense of anticipation as the day unfolds.

A Menu to Celebrate

At the heart of every wedding celebration is unforgettable food. Our talented chefs and dedicated brigade take pride in creating dishes that are as special as the occasion itself.

Using the freshest locally sourced ingredients wherever possible, each dish is crafted with care, flavour, and attention to detail. From the first course to the last, every plate is designed to delight your guests and complement the elegance of your celebration.

Our menus combine modern creativity with classic favourites, offering beautifully presented dishes that are both imaginative and refined. For a more personal touch, our chefs are happy to create bespoke menus tailored to your tastes and vision, ensuring every element reflects your style.

With exceptional ingredients, passion for quality, and a flair for modern cuisine, your wedding dining experience at The Wrightington will be a highlight of your day, leaving a lasting impression on every guest.

Celebrate in Style

As the day moves into evening, the atmosphere shifts into celebration—an opportunity to relax, celebrate, and enjoy time on the dance floor with family and friends.

Our reception space transforms seamlessly into a vibrant yet elegant setting, complete with a spacious dance floor and private bar, allowing you and your guests to enjoy the evening in comfort and style.

Music plays a central role, with our resident DJ creating the perfect atmosphere from the first song to the last dance. For a more personalised touch, live entertainment can also be arranged, alongside lighting designed to complement your theme.

To complete the evening, a selection of bespoke buffet options can be tailored to your preferences.

With great music, a lively atmosphere, and those closest to you, your celebration at The Wrightington provides a memorable close to your wedding day.

Your wedding day begins and ends in a space as special as the celebration itself. The luxurious Maddox Suite provides the perfect setting for getting ready, sharing those precious moments with your bridal party, and the anticipation before you walk down the aisle.

Spacious and elegantly designed, the suite offers a calm and sophisticated atmosphere. With stylish décor, soft lighting, and a generous lounge area, it's ideal for hair and makeup, photography, and moments shared with your bridesmaids.

At its heart, a sumptuous super king-size bed and thoughtfully designed interiors offer comfort and indulgence, while the stunning bathroom - with walk-in shower and mood-lit bath - provides a place to relax and refresh.

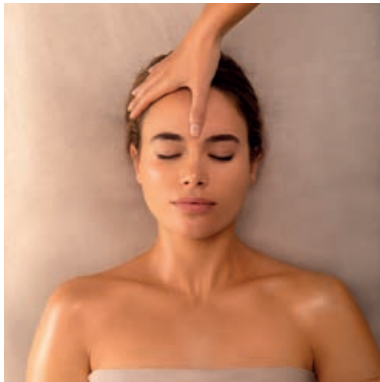

The Maddox Suite is a private retreat where you can savour the romance and elegance of your wedding day. The following morning, enjoy a leisurely breakfast served to your room, letting you linger a little longer in the luxury of your first moments together as a married couple.

Indulge and Unwind

Step into a world of calm and elegance as you prepare for one of the most important days of your life. Our luxurious spa provides a sanctuary to relax, refresh, and indulge, with beautifully designed therapy rooms offering the perfect setting for exceptional treatments.

Arrive the day before your wedding and enjoy a full pampering experience with your bridesmaids. From soothing massages to revitalising facials, each treatment is designed to calm the mind, rejuvenate the body, and leave you feeling radiant and ready for your day. The spa also offers a space to share laughter, relaxation, and special moments with your closest friends before the celebration begins.

After the excitement of your wedding, return to the spa to unwind in style. Relax in the hot tub, ease tired muscles in the steam room, or simply enjoy the serene lounge - an elegant retreat to reflect, recharge, and savour the memories of your day.

Fall in Love

“ From the moment we arrived at The Wrightington, everything felt effortless and beautiful. Walking down the aisle towards the breeze house, with the Lancashire countryside around us was a memory we will cherish forever. Our guests loved the delicious wedding breakfast, and the evening celebration was full of laughter, music, and joy. Staying in the Maddox Suite afterward was the perfect end to an unforgettable day, and the spa the next morning made us feel completely refreshed. Every detail was taken care of, and we truly felt like the day had been designed just for us.
